

Octagonal Tube Roller Shutter Door Roll Forming Machine 15kW

Our Product Introduction

Basic Information

- Place of Origin: Zhejiang, China
- Brand Name: Hangzhou Maxwell
- Certification: CE, ISO9001
- Model Number: Shutter door
- Minimum Order Quantity: 1 Set
- Price: USD25000-USD30000
- Packaging Details: Nude Packing In a 40 Feet Container
- Delivery Time: 60 workdays
- Payment Terms: T/T; L/C
- Supply Ability: 30 Set per Mon

Product Specification

- Name: Roller Shutter Door Roll Forming Machine
- Material: Steel
- Main Motor Power: 15kW
- Roller Stations: 20stands
- Cutting Blade Material: Cr12Mov
- Applicable Industries: Hotels, Garment Shops, Building Material Shops, Manufacturing Plant, Machinery Repair Shops, Food & Beverage Factory, Farms, Restaurant, Home Use, Retail, Food Shop, Printing Shops, Construction Works, Energy & Mining, Food & Beverage Shops, Other, Advert
- Machine Frame: Vertical Arch Frame Structure
- Rolling Thickness: 0.6-1.2mm

Product Description

Octagonal Tube Roller shutter Door Roll Forming Machine Door Frame Roll Forming Machine

Product Description:

With a warranty of 1 year, you can be assured of the quality and durability of this machine. The cutting blade material is made of Cr12Mov, which is a high-quality material that is known for its strength and durability. This ensures that the machine can handle tough materials and withstand wear and tear over time.

The Octagonal Tube Roll Forming Machine is capable of rolling thicknesses of 0.6-1.2mm, making it suitable for a wide range of applications. The main motor power of 5.5kW ensures that the machine can operate at high speeds, while the 20 roller stations provide the necessary support and stability for high-quality roll forming.

Whether you are producing Drywall Roll Forming Machine, Australia Style Shutter Door Roll Forming Machine, or any other similar products, the Door Window Roll Forming Machine is an excellent choice. It is easy to operate and maintain, and it is built to last. With its high-quality components and reliable performance, this machine is sure to meet your needs and exceed your expectations.

Features:

- Product Name: Octagonal Tube Roller Shutter Door Roll Forming Machine
- Name: Shutter Door Roll Forming Machine
- Machine Frame: Vertical Arch Frame Structure
- Roller Material: Cr12
- Cutting Type: Hydraulic Cutting
- Control System: PLC
- Features:
- Bottom Strip Of Door Roll Forming Machine
- Door Frame Roll Forming Machine
- Bottom Strip Of Door Roll Forming Machine

Technical Parameters:

Rolling Thickn ess	0.6-1.2mm
Material	Steel

Cutting Type	Hydraulic Cutting
Power Source	Electric
Core Components	Pressure Vessel, Motor, Other, Bearing, Gear, Pump, Gearbox, Engine, PLC
Cutting Blade Material	Cr12Mov
Main Motor Power	15kW
Roller Stations	20stands
Applicable Industries	Hotels, Garment Shops, Building Material Shops, Manufacturing Plant, Machinery Repair Shops, Food & Beverage Factory, Farms, Restaurant, Home Use, Retail, Food Shop, Printing Shops, Construction Works , Energy & Mining, Food & Beverage Shops, Other, Advertising Company
Name	Shutter Door Roll Forming Machine

Applications:

The Door Window Roll Forming Machine has a vertical arch frame structure with a PLC control system, which ensures high precision and durability. The machine is also equipped with a 5.5 kW main motor power that enables it to work efficiently and effectively. It is easy to operate, and the user-friendly interface allows even beginners to use it conveniently.

The Shutter Door Roll Forming Machine is suitable for various industries, including hotels, garment shops, building material shops, manufacturing plants, machinery repair shops, food & beverage factories, farms, restaurants, home use, retail, food shops, printing shops, construction works, energy & mining, food & beverage shops, other, and advertising companies. It can be used to make Australia style shutter doors and drywall among others.

The Door Window Roll Forming Machine is packed in nude and can be loaded into a 40 feet container for easy transportation. The payment terms are T/T or L/C, and the machine has a supply ability of 30 sets per month. The machine is the perfect solution for those looking for high-quality and efficient door frame making machines.

Support and Services:

The Door Window Roll Forming Machine product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experienced technicians and engineers are available to provide assistance with installation, maintenance, and troubleshooting. We also offer training programs to ensure that your staff is equipped with the necessary skills to operate the machine efficiently. Additionally, we provide spare parts and repair services to keep your machine running smoothly, minimizing downtime and maximizing productivity. Contact us for more information on our technical support and services.

Packing and Shipping:

Product Packaging:

The Door Window Roll Forming Machine will be packaged in a sturdy wooden case to prevent any damage during transportation. The machine will be securely fastened and padded to ensure that it arrives at its destination in perfect condition. The packaging will also include a user manual and all necessary tools for assembly and operation.

Shipping:

The Door Window Roll Forming Machine will be shipped via a reliable and reputable courier service. The shipping cost will be calculated based on the destination and weight of the package. The estimated delivery time will be provided upon order confirmation. Customers will be provided with a tracking number to track their package during transit.
